

# FIVE ACRES HIGH SCHOOL

---

21 March 2019

Dear Parent / Guardian

Further to our letter of 6 March, I am delighted to announce that yesterday Mr Ian Frost was offered, and has accepted, the position of Headteacher at Five Acres High School. Although this is subject to approval by the Board of Trustees of the Greenshaw Learning Trust, we are confident they will support the decision of the Local Governing Body.

Mr Frost has significant Headship experience and will be an asset to both the Trust and the School. He is fully committed to continuing the excellent progress made at the school so far. His values align with our own and he is extremely excited to be working at a school at this pivotal point in its development, and at being part of such a supportive and enthusiastic community.

As noted previously, I will remain closely involved with Five Acres, line managing Mr Frost and continuing to oversee the school and support the staff and students to improve even further.

Mr Frost will be spending time at Five Acres over the coming weeks and months to ensure a smooth transition, and we will write further with dates of when he will be available to meet with you all.

With best wishes,

Ben Parnell  
Headteacher  
Five Acres High School
