

FIVE ACRES HIGH SCHOOL

9 March 2018

Dear Parents/Carers

Re: Year 8 Pathways Meeting - 22nd March 2018 – 5.30 – 6.30 pm

We are writing to inform you that the Subject Pathways process will shortly begin for students in Year 8. I would also like to give you details of an information session that we feel is important for you to attend.

Over the next few weeks your child will be informed of the various choices available in assembly time. As we are trialling a new online system this year they will also have signed up to the necessary programme to allow them to make these choices.

On Thursday 22 March, we would like to invite you to an information evening where we will give a short presentation on the process and the pathways open. This will be followed by a “market place” where all subjects will have information available about the courses their subjects will be offering. This is an important time for students and we will be asking them to think carefully about their future career paths and the options they will need to take. If you have any queries or questions during this process please could you contact Miss May (Careers Adviser), your child’s Head of year or a member of the Senior Leadership Team.

Please bear in mind that due to changes in the curriculum and courses available all options are subject to viability and we may offer further support around your child’s choices if required.

The time for Year 8 Subject Pathways meeting is 5.30 – 6.30 pm. We look forward to welcoming you in the school hall for the short presentation at 5.30 pm.

Yours faithfully

S. Phelps

Mr S Phelps
Assistant Headteacher
