- “The school has a very well-embedded and well-understood set of character values (Ambition, Confidence, Creativity, Determination, Respect) and it is clear that these values form part of the pupils' everyday experiences at school.”
- “The pupils really value and strive to achieve the character badges and show a real sense of pride when receiving commendations for their character through the various postcard systems in place.”
- “Pupils value the wealth of enrichment opportunities made available by the school...”
- “There is a real sense of pride in the school's culture and this is reflected in the exemplary standards of behaviour and attitudes observed by the assessors throughout their visit.”
- “The deliberate focus on recognising achievements and activities pursued outside of school means that pupils feel valued and further strengthens the narrative developed around character as something which is just as important outside of school as it is within it.”

“Explore ways in which exceptional levels of commitment and achievement in relation to character can be recognised by responding to the pupils’ desire to ‘go beyond gold’”

Platinum Character Champion Accreditation:

This award has been created to:

- recognise students' exceptional levels of commitment and achievement in relation to character
- support student' development as a flourishing young person
- support preparation for the next steps you will take in education and the world of work.

The Platinum Champion award is a journey and is different to the Character Education Programme because you are able to personalise this to your interests and needs.

To be successful, you should decide on the values and virtues you wish to develop and then collect evidence of how you have developed, documenting this in a portfolio.
