

PE KIT

We are phasing in a new PE kit from September 2018. All Year 7 students are expected to be wearing the new kit. Current students can continue to wear the old 'Lakers' kit until it needs replacing. The new PE kit consists of:

- A 5 Acres branded polo shirt – Compulsory item
- 5 Acres branded shorts or skort - Compulsory item
- 5 Acres branded rugby shirt – Optional
- 5 Acres branded tracksuit bottoms or leggings – Optional
- 5 Acres branded training top – Optional

You will also need:

- Black football socks – we do not insist parents buy these from us but we do sell them at school.
- Studded/Bladed football boots for use on the grass – any colour (not astro-turf trainers)
- Trainers suitable for sporting activities that can be laced up tightly – any colour (not plimsolls or daps)
- Shin pads (for boys and girls)

During periods of cold weather students can wear plain, unbranded base layers, but these must not be visible beneath the standard PE kit.

PE kit can be purchased directly from the school from 01 August 2018.
