

Curriculum Statement of Intent- Maths

The curriculum is much more than just lessons. It includes the ethos, attitudes and relationships which create the high-quality life in all of our schools. Our aim is to provide a broad, balanced and rigorous curriculum that meets the needs and aspirations of every young person and leaves them well prepared for their future.

In Maths subject, our intent is that pupils will have the knowledge to make logical connections, with the confidence to approach any problem with resilience and determination in order to achieve and be successful.
